IBX

IBX is a strengthening product that fuses together the layers of the natural nail. It creates strength, prevents peeling and is especially great for very damaged nails. It is applied like a polish and gentle heat is applied to help the treatment penetrate the natural nail. This can be done on its own or before your Calgel treatment.

Patch test is required for your first treatment. Please contact us to arrange.

Gel & Go

Gel & Go is the latest product from Calgel's sister company 'Iz Beauty Of London'. It is a thinner consistency 'gel in a bottle', 2 coats is all you need for 7-14 days wear.

Perfect for those who are short on time, or those who want a more temporary mani.

Hand or Toes 45 mins £25

Soak Off

We can soak off your previous set before your next treatment. To do this, we need you to arrive 30 mins before your nail treatment begins. Late arrival may result in you losing precious time off your nail treatment!

We only soak off our own work and we never soak off acrylic.

Soak Off/ Removal £10
